DISCLAIMER
Please read this user manual before use. Failure to follow the instructions for proper setup, use, and care for your device can increase the risk of serious personal injury, death, or property damage.
The manufacturer assumes no responsibility for any damage caused by mishandling that is beyond normal usage defined in this manual.

RECOMMENDED SETUP
We recommend the exclusive use of Aspire original charger, battery, components, and accessories indicated on the product page and leaflet. Use of chargers, batteries, components, and/or accessories not specifically produced for this device may lead to malfunction and/or damage to the product and to the cancellation of the warranty.

HANDLING AND USAGE SAFETY
To reduce the risk of fire, shock, or damage to your vape device keep the product and its accessories away from overheated or excessively humid conditions (-5° C / 50 ° C).
Your device can be damaged if dropped, burned, punctured, crushed, or if it comes in contact with liquid. If you suspect damage to your device or its battery, discontinue use of your device, as it may cause overheating or injury.
To avoid misfiring always ensure you either lock or switch off your device when it is not in use, especially when carrying your device in your pocket, bag, or purse.
In the case of burnt or abnormal deformation of one of the components of the device or its accessories, stop using it immediately and contact Customer Care.

COIL MAINTENANCE SAFETY
In order not to damage the coil or burn the cotton do not inhale an empty pod. Let the pod/tank stand for 5 minutes after filling so the cotton can be saturated with e-liquid before use.

REPLACEABLE BATTERIES SAFETY
